FUND DESCRIPTION

The Parking Facilities Fund is established to account for revenues and expenses to city-owned parking areas, including four garages (Chapel Hill Street, Church Street, Corcoran Street and the Durham Centre) and three offstreet lots. A new vendor to manage the garages and lots was contracted for FY2008-09 and continues. Onstreet parking revenues and expenditures are budgeted in the General Fund and are, therefore, not part of the operations of this fund.

REVENUE DESCRIPTIONS

Interest and Rental Income - Gained through the commitment of City funds to investment instruments allowed by State Statute.

Enterprise Revenues

Revenues represent the gross revenue collected by the contract vendor operating the parking facilities and issuing tickets in the downtown area. Reimbursements to the vendor are reflected in the operating budget and are specified in the contract with the vendor.

Transfers from Other Funds

<u>Transfer from General Fund</u> - Funds from the General Fund are used to cover the amount of debt service on the Durham Center garage that is not covered through operating revenue.

EXPENDITURE DESCRIPTIONS

Operating – The operating budget represents contract payments to a private sector firm.
